

Thank you for your interest in my science lessons. Yes, I do take PO's. A purchase order from your school can be mailed to:

William Wilkinson
Interactive Science Teacher
6675 S. Sullivan Pl.
Terre Haute, IN 47802

You can either mail me the P.O. at the above address, *or*, if you'd like quicker access to the lessons, you can scan the P.O. and send it to me as an attachment to my email address- bill@interactivescienceteacher.com . (I don't have a fax machine, so I can't take those; sorry!)

As soon as the P.O. arrives, I'll get your Membership started, and then email you as soon as you're in.

Any other questions you have are welcome. Thanks again!
-Bill Wilkinson
