

Thank you for your interest in my science lessons. Yes, I do take PO's. A purchase order from your school can be mailed to:

William Wilkinson
Interactive Science Teacher
6675 S. Sullivan Pl.
Terre Haute, IN 47802

You can either mail me the P.O. at the above address, *or*, if you'd like quicker access to the lessons you can send it as a pdf to my email address- bill@interactivescienceteacher.com. (I don't have a fax machine, so I can't take those; sorry!)

Somewhere on the P.O. be sure to include the teacher's name and email address, as that will be used for their logins to the site.

As soon as the P.O. arrives I'll get your Membership started, and then email you as soon as you're in.

Any other questions you have are welcome. Thanks again!

-Bill Wilkinson
